Hotels.com Road Trips - Getaway this Summer Without Breaking the Bank!

Get in the car and hit the road this summer! With the hotels.com Road Trips search tool, you can find great destinations and fantastic deals just a short drive from wherever you are.

Driving allows travelers to select scenic destinations that are nearby, reducing time spent in transit and fuel costs. In fact, the RV Industry Association says that a family of four can save up to 65% on a road trip, compared to other vacations, such as taking a cruise or traveling by plane.
